# Chateau Oak

This stunning engineered timber floor highlights the authentic texture and grain of real French Oak. The unique pattern features of each board are accentuated by the subtle micro bevelled edge, and finished with a light brush to bring charm and warmth to your floor.

**Indoor Air Quality:** Green Building Council compliant for VOC emission rate limits

All Godfrey Hirst Timber floors must be installed in accordance with relevant New Zealand Standards and in conjunction with the Godfrey Hirst Timber Flooring Installation Instructions.  
 Warranty: All Godfrey Hirst floors carry a warranty supported by New Zealand after sales service. The Godfrey Hirst warranty is applicable to all Godfrey Hirst floors, sold in New Zealand. \*As a New Zealand manufacturer, we endorse and recognise all rights of the consumer under the Consumer Guarantees Act 1993 (the "CGA") and further agree to match any performance guarantee or warranty offered in the market place, at the time of purchase, on any product which is equivalent to ours, where that performance guarantee or warranty offers rights to the consumer in addition to those under the CGA". For further information as to the warranty, installation, care and characteristic of this hard flooring please visit [www.godfreyhirst.com](http://www.godfreyhirst.com) or call 0800 500 210.  
 ^Subject to proper installation, maintenance and local building code/regulatory approval.  
 ^ Nested/Random lengths may occur. As this is a natural product, some boxes may include one 'nested' board (i.e. two boards comprising of the quoted board length). All boxes will provide the coverage quoted.  
 ~Test results and certificates are available on request.
