Specifications and colourations are subject to manufacturing tolerances. As part of the Godfrey Hirst continuous improvement program, Godfrey Hirst reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference.

Naturals

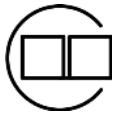

Naturals offers an understated satin finish to bring traditional hardwood floors into the modern home. This engineered flooring range looks just like solid timber, with added attributes and benefits. With the coastal golden rays of Blackbutt or the attractive wild warmth of Spotted Gum, our Naturals range offers only the finest Australian native species.
