Regal Oak Wide

Regal Oak Wide is handcrafted and carefully honed to accentuate the wood's natural textured surface giving it the depth and dimension of a time-loved floor. This collection is characterised by the beautiful, big knots which create unique character and ambience. The stunning colours are smoked rather than stained to provide consistent colour all the way through the hardwood timber surface.

Technical Data

Type:	Timber Flooring	Finish:	Matte
Dimensions:	2130mm x 240mm	Surface:	Distressed
