For a period of **15 years** from the date of purchase as specified on the invoice, Tarkett makes the following limited warranty, subject to the terms and conditions specified herein, for:

- all Omnisport Tarkett floor coverings intended for indoor sport use

This limited warranty applies to Products purchased as from 6th October 2021.

Coverage

Tarkett warrants the Products against:

- visible defects reported before installation,
- defects in material or workmanship during normal and ordinary use, as defined in Tarkett technical documentation and in the appropriate Australian standards.

Tarkett warrants

- That Tarkett HO particle enhanced safety floors will maintain the required coefficient of friction throughout the warranted life of the product, provided the product is maintained in accordance with Tarkett's Care and Maintenance instructions.

Warranty conditions

If the customer believes the Product to be defective, the customer must promptly notify Tarkett and permit an inspection of the Product. If necessary, Tarkett reserves the right at its discretion to remove from the site a quantity of the Product for laboratory analysis.

Tarkett will replace any defective Product at no charge if the Product is proven to be defective prior to installation. If installation is in process, it shall be stopped on the day the defect is noticed otherwise the warranty shall not apply.

If, upon inspection, Tarkett determines in its sole discretion the Product to be defective, subject to the limitations contained in this warranty, Tarkett will, at its option, either replace the defective Product at its cost in the affected room or area or refund to the customer an amount equal to $[A \times B \times (C - D)]/C$ where:

A = the area of defective Product rounded up to the next whole square meter)

B = price per square meter paid for the defective Product

C = warranty period (in months) for the defective Product

D = the period from date of invoice of the defective Product to date of notification of defect (in complete months, rounded down).

Should Tarkett be unable to perform the replacement with an identical Product, the Product closest to the original in appearance and quality will be used. Tarkett may also refund at its discretion labor costs upon presentation of receipts by the customer. Under no circumstance shall Tarkett's refund exceed the purchase price of the defective Products.

Product repairs or replacements performed under the terms of this warranty shall not result in any extension whatsoever of the warranty. If however, the cause of the defect is found to be outside the scope of the warranty, Tarkett reserves the right to charge the customer for the cost of the inspection.

Any repairs deemed necessary by Tarkett during an inspection of the Product which are the responsibility of the customer (or its agents, contractors, employees or invitees) must be carried out at the customer's expense in accordance with Tarkett's recommendations for the warranty to continue during the warranty period.

Terms of validity

Tarkett warranty will be valid provided that the following cumulative conditions have been met:

- The customer must give Tarkett written notice of any claimed defect immediately upon learning of the defect and in no event more than 30 days after the claimed defect is discovered. The claim shall be sent to Tarkett Australia – Suite 1, Level 3, 3 Columbia Court, Baulkham Hills NSW 2153. A copy of the purchase invoice shall be attached to the claim.
- The product must be suitable for the use intended, in accordance with recommended use specified by Tarkett.

- The subfloor is suitable for the application of any of the above mentioned Tarkett Products (see the Tarkett technical specification sheet) and all accessories, such as subfloor preparation, adhesives, welding rods etc. must be approved by Tarkett.
- The installation of the Product shall be made in accordance with the industry standard and with the updated laying instructions applicable to the Product.
- The accessories such as subfloor preparation, adhesives, welding rods etc. shall be used in accordance with the industry standard and with the updated laying instructions applicable to the Product.
- An adequate maintenance program must be put in place immediately after installation, and this must encompass an adequate dirt barrier at all entrance points where an entrance from the exterior or from heavily soiled areas is possible.
- The Products are to be maintained in accordance with Tarkett cleaning instructions.
